**Coaching classes emerging as prominent informal education system in India, finds Netscribes**

*Netscribes (India) Pvt. Ltd., launches its Coaching Classes report covering the informal coaching classes market in India as part of its Education Industry Series.*

**Mumbai, India –April 17, 2009** – Netscribes (India) Pvt. Ltd., a knowledge consulting solutions company, announces the launch of its report - Coaching Classes in India. Dismal performance of public education system and fierce competition at all levels in schools and colleges is creating tremendous opportunity for private players to invest in informal education sector.

The report provides a snapshot of the coaching classes market in India, including the market size, growth and key segments. It provides overview of private tuitions market and entrance test preparation market in India. Key trends and drivers in the coaching class market are highlighted and a brief analysis of the major issues/challenges hindering growth is also included. Competitive landscape identifies the major coaching institutes in Indian market. It indicates the business model, key financials and expansion plans for each player.

The Coaching Classes report is part of Netscribes' Education Sector series, which also includes E-learning and Vocational Training Institutes in India.
