

## **Netscribes Sets Up Delivery Center in Gurgaon**

*Netscribes, Inc., a leading research and content solutions firm has set up a new center in Gurgaon, a prominent commercial district in the National Capital Region, as a hub of research & analytics and content solutions for global clients.*

**Gurgaon, India – Jul 05, 2011** – The 100-seater new centre in Gurgaon aims to attract research and content talent from the region to work on several international assignments. This is in line with the company’s aggressive growth plans to become a preferred partner for leading global players in the areas of research and content. The firm already has a presence in Mumbai and Kolkata.

Sourav Mukherjee, Founder & CEO, Netscribes, Inc. said, “This enhanced center in Gurgaon will help us accelerate our growth plans and accommodate more talent to cater to growing demands for research and content services of global standards. The NCR region excels in talent across business and intellectual property research and this center will help us tap that pool. The focus will always remain on finding entrepreneurially-inclined professionals.”
