Netscribes launches report series dedicated to Indian market with six reports on the Indian food & beverage sector

Netscribes (India) Pvt. Ltd., launches a report series dedicated to the Indian market. The reports offer concise views and valuable information of various industries at an attractive price. As part of the launch, the first series comprises six industries in the Food and Beverage sector in India.

Mumbai, India – January 6, 2008 – Netscribes (India) Pvt. Ltd., a knowledge consulting solutions company, announces the launch of a report series dedicated to the Indian market. The coverage includes specific industries across sectors that offer opportunities for investment, market entry, or have undergone major developments. The launch is accompanied by the release of six reports under the Food & Beverage Industry series.

The India-focus report series was launched to fill a void in the market for quick insights on various Indian industries. The value lies in a concise and easy to read presentation format that covers major aspects of the industry. The reports are an excellent starting point due to the attractive pricing and enables decision makers to further explore or commission research into a market of interest.

“As many companies look to explore, understand and invest in India, Netscribes seeks to provide the market with sharp, insightful and relevant information that businesses can use to make informed decisions.” says Natasha Mehta, Head of the Strategic Initiatives Group at Netscribes.

The first series is the Food & Beverage sector and includes Bottled Water, Wines, Pasta Import, Edible Oil Import, Branded Chocolate, and Ice Cream.
