

Equity Research

Banking, Financial Services and Insurance (BFSI)

A leading UK-based independent research provider (IRP) chose the 7 top ranking global investment banks out of 10 in its clientele to provide them with independent sell-side equity research reports and mandated Netscribes to ramp up its coverage.

Scope of Work

Netscribes' Solution

Initial dedicated team of 5 analysts ballooned to 20 analysts and research coverage expanded to 200+ global stocks within 15 months

Client achieved high research ratings from Starmine and expanded client base

The 80+ team is now absorbed by the client, managed by former Netscribes project managers operating from a separate facility in India
