

RESEARCH CALENDAR FOR IOT

Month	Type of Report	Report Title
February '19	Comprehensive Report	System on Chip (SoC) IoT Technology Trend Analysis
May '19	Competitive Intelligence	IoT Connectivity Management Services
June '19	Competitive Intelligence	Satellite Solutions for IoT Ecosystem
July '19	Comprehensive Report	Impact of AI, Blockchain and Quantum on IoT Security
August '19	Competitive Intelligence	Small cell deployment for IoT
September '19	Update Report	Update Report - SoC IoT Ecosystem Analysis
October '19	Comprehensive Report	Human Machine Interfaces*
November '19	Industry Adoption Analysis	Growth of Edge Computing
January '20	Comprehensive Report	Global Cloud Robotics Landscape Report*
February '20	Update Report	Update Report - Human Machine Interfaces*
March '20	Update Report	Update Report -Cloud Robotics Landscape Report

*Subject to change based on industry trends.
